

Jet Sport Fin

Jet Sport is a powerful and high performing blade fin, perfect for all divers.

- Big blade for a truly powerful response in the water.
- Drag reducing vents substantially decrease resistance on both up and down strokes.
- Three material blade construction optimizes flex and comfort to achieve a high level of performance.
- Quick release buckles.
- Ergonomic foot pocket.
- Available in blue, black and red.

Ikelite's Emergency Strobe Beacon

The Mini-C Mark is an ideal location marker or emergency beacon specifically designed for night and limited visibility use. • Emits brilliant flashes of light visible for several miles at the surface. • Ideal for marking the down line so divers can easily return to it. • Adjustable Flash Rate. The flash rate adjustable between 10 and 70 flashes per minute. Duration of 8 to 20 hours, depending on the flash rate selected. • Durable Design. The bright yellow virtually indestructible body provides visibility even in poor conditions. Unique folding switch assures against accidentally turning it on. • Depth rated to 90m / 300 ft. • Available from your professional dive store.

Price \$170.00 inc two 'C' batteries

Pelican Cases

'Lifetime Guarantee, You break it, we replace it forever.....!' Watertight Protector Cases. Ultimate equipment protection from the elements. Pelican cases are engineered to perform and be dependable in most extreme environments. New automatic purge valve: a one-way membrane that releases air pressure but keeps moisture out. Waterproof O-ring seal – the key to a watertight case: a tongue and groove fit with a neoprene O-ring acting as a waterproof seal.

Pricing starts from RRP \$30.00
